

## **2019 SPLASH Auction Paddle Raise**

The goal of the 2019 Paddle Raise is to raise over \$30,000 to help with the following needs:

### **Level One: \$10,000** – *Chrome Books... Oooo La La !!*

Help us meet our goal of having a Google Chrome Book on the desk of every student in 5<sup>th</sup> through 8<sup>th</sup> grade. Currently we have 40 Chrome Books. Our goal is 120; we need 80 more Chrome Books to ensure that every 5<sup>th</sup>-8<sup>th</sup> grade student has a Chrome Book readily available on their desk!

### **Level Two: \$15,000** – *Additional Security! C'est La Vie*

Last year we were able to put security cameras on the exterior of the building and help increase the safety and security of our students and the campus. This year we would like to add security cameras in the hallways and the inside back steps of the school. We also want to add security alarms to the two back doors of the school. We want to add safety glass to the doors and a panic button at the front office desk. Additionally we would like to have our intercom system connect to the PreK building, so PreK and Kids' Club can hear the safety announcements.

### **Level Three: \$20,000** – *Playground Upgrades! C'est Magnifique!*

The PEP Club is committed to making some major improvements to the school's playground this summer \*\*\*, and we want to make it even grandiose! We would like to purchase a GaGa pit. Gaga is a fast paced, high energy sport played in an octagonal pit. It is a kinder gentler version of dodge ball; the game is played with a soft foam ball, and combines the skills of dodging, striking, running, and jumping. We would also like to purchase some additional tether ball poles!

### **Level Four: \$25,000 & Beyond** – *Updated Furniture! Au Revoir Mes Amis!*

It is time we do some re-decorating! We want to refurbish the library with new furniture that meets the needs of the 21<sup>st</sup> century learner. We want to create an environment that is conducive and inviting for the students! We would additionally like to replace some of the primary desks with newer desks that again are more conducive for learning!!
