ST. PHILOMENA SCHOOL

St. Philomena Catholic School is located on the campus of St. Philomena Parish Church in Des Moines, WA. The school is a Pre-Kindergarten through 8th grade Catholic elementary school under the Archdiocese of Seattle's Catholic Schools Office.

The curriculum stresses academic achievement within a Christian community where children feel that they are loved and respected by their peers as well as their teacher. United with each other in meaningful liturgy and prayer, the students can further come to an understanding of the Christian life. At St. Philomena, we strive to "teach as Jesus did." Approved texts are used so that our theology is in compliance with the U.S. Conference of Catholic Bishops.

The Archdiocesan curriculum guidelines are consistent with the State of Washington, and National Common Core Curriculum State Standards are followed for the teaching of all secular subject areas. The curriculum is marked by current content and fresh approaches to methodology. There is emphasis on principles rather than fact, on learning through problem solving rather than by precept. We strive to offer a program which makes use of many sources of reading material, a wide variety of audio-visual and technology tools, and a multi-text approach to the content areas. Textbooks are approved by the Archdiocese of Seattle.

HISTORY

St. Philomena Catholic School opened in the fall of 1963 under the guidance of four Sisters of Notre Dame de Namur: Sister Francis Julie, Sister Raymond Francis, Sister Mary Christopher, and Sister Joseph, plus one lay teacher, Mrs. Mildred Downey. The charism of this order is "to make known God's goodness," and dedicate themselves to the Christian education of the poor, especially girls. St Philomena School opened with grades 1- 5, and the dedication of the school took place on April 19, 1964.

By 1969, the school had expanded to include grades six, seven, and eight. In 1973, during a period of economic decline both regionally and nationally, the sisters were called back to their Mother House in Belmont, California. Despite the economic difficulties, the school's parents decided they would do what was necessary to keep the school open. With the aid of the pastor, a lay-led faculty was hired and a School Commission was established. In 1986 the kindergarten program was instituted, and in 1996 the extended-day program, known as Kids' Club, began. At the present time, the school is staffed by a dedicated, entirely lay, faculty. A Pre-Kindergarten program opened September 2012.

MISSION STATEMENTS

ARCHDIOCESE OF SEATTLE

The ministries of the archdiocese of Seattle continue the work of evangelization to encounter Christ, who calls and sends missionary disciples, and who himself provides lifelong formation and nourishment in the church.

OFFICE FOR CATHOLIC SCHOOLS

In the spirit of communion, solidarity, and subsidiarity, the Office for Catholic Schools provides high quality professional development, resources, and best practices to expand the evangelizing mission of our Church as we help one another form the school leaders God has designed for our time.

ST. PHILOMENA PARISH MISSION STATEMENT

We are the Roman Catholic Faith Community of St. Philomena, called to live the Gospel of Jesus Christ through our celebrating and praying together, through our support of the faith development of each member, and through our compassionate service and care for one another and the world. We do this because of our commitment to our faith, our hope in the reign of God, and our love of God and neighbor.

ST. PHILOMENA SCHOOL MISSION STATEMENT (Reviewed October 2021)

Our mission is to teach, model, and promote Gospel values in all areas of a balanced curriculum so that the teachings of Christ become our focus and Christ Himself, our constant point of reference.

St. Philomena School Statement of Philosophy (Reviewed October 2021)

The St. Philomena Parish Catholic School Community is committed to teaching, modeling and promoting the Catholic faith in addition to providing a challenging and contemporary academic curriculum infused with the Gospel message of Christ and the traditions of the Catholic Church.

- We encourage the growth of each student in a nurturing environment, recognizing his or her diverse gifts and talents.
- We challenge all students to take academic risks as they prepare to meet the needs of an ever-changing world.
- We prepare our students to live their faith daily as reflective, contributing citizens in service to their church and to their communities.

St. Philomena School Vision Statement (Established October 2021)

We envision our communities nurturing, mentoring, developing and promoting persons who have the essential tools to live a faith-centered life.

Notice of Non-Discriminatory Policy as to Students

St. Philomena School admits students of any race, sex, sexual orientation, faith traditions, color, national and ethnic origin, and disability to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, sex, sexual orientation, color, national and ethnic origin, age or disability in administration of its educational policies, admission policies, scholarship and loan programs, and athletic and other school-administered programs.

Although we do not discriminate on the basis of race, sex, sexual orientation, color, national or ethnic origin, it remains our primary purpose and mission to serve Catholic members of the parish. Under some circumstances, medically justifiable limitations may be placed on the admission/retention of students with infectious diseases and/or life threatening illnesses. Likewise, limitations may be placed on the admission/retention of students whose needs the school is unable to meet. Decisions regarding admission/retention of these students is decided on a case-by-case basis by the principal or his/her designee.

St. Philomena School/Home Relationship

At St. Philomena School, we believe that education is a partnership between home and school. If, in the opinion of the administration, parent behavior seriously interferes with the teaching/learning process, St. Philomena School may require parents to withdraw their children and sever their relationship with the school.

COVENANT COMMUNITY

St. Philomena School community strives to be a covenant community. The teachers and staff at St. Philomena School are committed to work in partnership with all families to live out the parent/student/teacher covenant to build a respectful and loving faith community.

Covenant implies a **sacred relationship**. The parent-student-teacher covenants help us all remember that through good times and tough times we have a commitment to each other to walk a journey of faith, trust, respect, and hope.

ST. PHILOMENA SCHOOL'S COVENANTS (Revised June, 2020)

A CATHOLIC SCHOOL STUDENT'S COVENANT

As a student at St. Philomena Catholic School, I am blessed to be given the opportunity to be educated spiritually and academically. I understand my parents have made this choice out of their love and concern for me. Therefore, I will:

- behave in a respectful manner toward all school and parish personnel, volunteers, and visitors.
- respect all students and treat each one with care regardless of race, gender, or other differences.
- obey all rules, especially the Golden Rule.
- respect school property and the personal property of other students.
- display proper manners and show common courtesy at all times.
- assume responsibility for all my actions and not make excuses.
- always do my classwork and homework without excuses or disrespect.
- be on time, ready to learn, and give my best effort.

A CATHOLIC SCHOOL TEACHER'S COVENANT:

Each teacher at St. Philomena School accepts the responsibility of cooperating with parents in the spiritual, emotional, and intellectual education of their children. Each teacher further commits that his/her mission is

to educate children and to form Disciples of Christ consistent with the mission and teachings of the Church. Therefore, teachers at St. Philomena School agree to:

- be a Christian role model and maintain an atmosphere which ensures each student's right to an education and personal growth without fear of intimidation by others.
- be respectful to the parents of my students, develop good communication with them, and continue to build a trusting relationship.
- provide appropriate and challenging academic instruction.
- embrace the diversity of my students and build bridges between all cultures.
- set clear standards for behavior and be fair and consistent in discipline.
- respect my fellow teachers and solve differences in a peaceful and professional manner.

A CATHOLIC SCHOOL PARENT'S COVENANT

As the primary educator of their child, parents understand that they teach their child best by their own example of reverence, responsibility, and respect. Parents chose St. Philomena School to assist them in forming their child as a disciple of Jesus Christ, and understand and acknowledge that their own conduct and the example they set for their child can impact whether their child is allowed to remain enrolled in St. Philomena School. Parents understand that their child's teacher is a dedicated professional who chooses to teach in a Catholic school. Therefore, parents will:

- be a Christian role model by regularly attending Sunday Mass with my children.
- promote respectful behavior in my child by setting a good example in my own speech and behavior.
- show respect for the school personnel, volunteers and visitors and teach my child to do the same.
- practice confidentiality and use appropriate communication to solve differences in a peaceful manner.
- follow the policies and procedures of the St. Philomena School Handbook.
- accept and embrace the diversity at St. Philomena Catholic School.
- respect the privacy of the faculty, staff, students, and their families.

ACCREDITATION:

St. Philomena School was first accredited in 1997 by the Northwest Association of Schools and subsequently by the Western Catholic Education Association in 2005, 2011 and 2016. St. Philomena School received six-year terms of accreditation from each one of the accreditation visits.

Accreditation is just one way of ensuring the public that the school meets minimum environmental standards, has a valid school improvement plan, and is engaged in an on-going self-study and on-site peer evaluation process.

ADMISSIONS AND ENROLLMENT POLICIES (Revised October 2020)

It is understood that St. Philomena School exists to support the parents in their role as the primary educator of their children in the Catholic faith and to educate those parish children whose families are committed to the Catholic faith and a Catholic education. It is also understood that much of a child's faith formation and moral foundation comes from their experiences at home. All parents and legal guardians are expected to respect and support the Church's teachings and moral authority as administered through the pastoral leader of their Catholic parish.

All parents and guardians must also be aware of their obligation to model Christ and the Church's teachings, and that their own conduct can impact whether a student is admitted or remains enrolled, at the discretion of St. Philomena School. St. Philomena School reserves the right to dismiss any student, or to deny re-enrollment to any student, who, in the sole judgment of the principal, is not making satisfactory progress, has engaged in conduct which is detrimental to the school, or whose parent has engaged in conduct which is detrimental to the school.

Prior to entry, attendance or transfer to a Level 1 or 1b Catholic preschool through high school in the Archdiocese of Seattle, students must present proof of having had the immunizations as required by Washington State law.

Every student enrolled in a Level 1 or 1b Catholic School in the Archdiocese of Seattle shall be immunized against vaccine-preventable diseases caused by infectious agents in accordance with the immunization schedule adopted by the Washington State Department of Health Services. The only exception to the foregoing requirements for students in our Catholic schools is a medical exemption signed by a licensed professional (M.D., N.D., D.O., ARNP, or PA)) authorized to practice in the State of Washington, including the physician's license number. Failure to obtain required immunizations prior to admission or to maintain required immunizations during enrollment may result in a denial of attendance.

Applications and registrations will be considered on the following priority basis:

1. Current student presently enrolled at St. Philomena School.
2. Students of families who have children presently enrolled in the school, Catholic or not.

3. Students of families who are registered, supporting and active in St. Philomena Parish. The family must be in good standing with regard to the participation, finances, and support of the parish. When the applicants are equal, the following will be taken into consideration:

- a. Longevity in the St. Philomena Parish
- b. Children/siblings of alumni of St. Philomena School
- c. Grandchildren of long-time parishioners
- d. Results of any interviews deemed necessary by the Principal

(As in all school policies, the final decision is made by the Principal and Pastor of St. Philomena.)

4. Students of families who are registered in and supporting other Catholic parishes with first priority given to parish-subsidized families.

5. Students baptized Catholic who are not covered by the above qualifications. .

6. Non-Catholic students.

Non-Catholic students will be eligible for admission if space is available after April 1st. Non-Catholic students are placed on a waiting list in the order their completed applications are received in the school office.

A. As openings occur for each grade level, students will be admitted and/or placed on a waiting list according to the following criteria: (A waiting list will be established when a class reaches 22 in pre-kindergarten, 28 in kindergarten and 1st grade, and 30 in 2nd --8th grades.)

B. St. Philomena School admits qualified students of any race, color, national and ethnic origin in administration of its educational policies and scholarships. Students possessing physical or emotional disabilities will not be denied admission solely by reason of the disability.

C. Admission of students is dependent upon the results of an interview with the principal and review of current school records and entrance exam results. All students seeking admission will be tested prior to placement. This testing will occur in mid-March. After testing, all applicants will be notified in writing as to their admission status. If, after testing, it is determined that the student qualifies for admission, but there is not a space in the class, he/she will be placed on a waiting list. Registration and testing fees are non-refundable.

D. The completion of application forms, approval of tuition contract, determination of space, and the ability to meet the needs of the individual student are also required.

E. Final acceptance will be submitted in writing to all new families admitted for the following school year.

F. A child must be **5 years of age for kindergarten** and **4 years old for pre-kindergarten** by **August 31st** of current school year for entrance into that respective grade. There are no exceptions made to this entrance date.

G. A copy of a Baptismal certificate if Roman Catholic, birth certificate, and immunization form **MUST** be submitted by all new students before school begins.

H. All new students are accepted on a probationary basis. (Please refer to policy on Academic Trial Period). Students must meet and maintain academic standards and expectations.

I. Registration will begin during Catholic Schools' Week at the end of January.

CLASS SIZE (Revised October 2020)

As openings occur for each grade level, students will be admitted and/or placed on the waiting list according to the following criteria: waiting list will be established when a class reaches 22 in PreKindergarten, 28 in Kindergarten – 2nd grade, 30 3rd - 8th grades. The principal has complete discretion on exceeding class size.

ADMISSION OF NON-CATHOLIC STUDENTS (Revised October 2020)

Non-Catholic students shall be considered integral members of the student body, expected and required to participate in all aspects of the school program.

- Non-Catholic students are required to attend and participate in religion classes. Teachers will be sensitive to the student's ability to understand and be respectful of his/her personal religious convictions.
- Non-Catholic students shall be required to be present for Mass and other religious services. They are not required to actively participate in such services, but are invited and encouraged to do so to the extent they are able. In accordance with the teachings of the Catholic Church, non-Catholic students are not permitted to receive Communion.

The Code of Canon Law does not object to the reception of Communion by Christians of the Orthodox Churches, the Assyrian Church of the East, and the Polish National Catholic Church. Members of these churches are urged to respect the discipline of their own churches.

Non-Catholic students, like other students, are required to participate in service learning projects and student service hours sponsored by the school.

ADMISSION OF INTERNATIONAL STUDENTS (Revised October 2020)

International students who are not permanent residents of the United States will be admitted in accordance with the requirements of the United States Department of State and/or the United States Department of Homeland Security. Any foreign student who is not a permanent resident of the United States who desires to enroll in St. Philomena School must have complete legal documentation required by the United States government in order to do so.

ADMISSION OF STUDENTS with LEARNING DIFFERENCES (Revised October 2020)

Students with special needs shall be given the same consideration as all applicants. However, prior to admitting a student with diagnosed learning differences, St. Philomena School shall make a determination as to whether it can provide an appropriate education for that child in light of the school's resources and staff/support capacity. Each child will be considered on an individual basis. St. Philomena School will consider:

1. the severity and degree of the disability;
2. the level of support needed from special services and any special equipment or related services the student may require;
3. the school's resources, such as available support personnel, class size, and accessibility of school facilities;
4. the accommodations, if any are necessary, and the school's ability to provide those accommodations;
5. the child's Student Support Plan (SSP) if one exists, and/or the school's ability to meet a current IEP or behavioral plan; and

6. Any other considerations that may apply to the particular situation.

Parents and/or the public school district in which the student resides shall be responsible for any additional special education services that a student may require.

St. Philomena School will accept any child for whom an appropriate program can be designed and implemented. Each child is to be considered for admission based upon his/her emotional, academic, and physical needs; the school's ability to support the student in adhering to all health/medical requirements; and the resources available to the school in meeting those needs. St. Philomena School determines continued enrollment based on these factors.

There is a limit to what schools have the capacity to do. However, St. Philomena School will not discriminate against otherwise qualified individuals on the basis of disability if, with reasonable accommodations, school staff can assist a student in meeting the requirements of the school program.

St. Philomena School honors the following procedures in trying to serve students with special needs:

Phase 1: Identification – Identification of the specific area of concern(s), documentation of concern, consultation with the student's family.

Phase 2: Assessment – Comprehensive assessment through the local public school or through private, professional consultants.

Phase 3: Planning and Placement – Determining the most appropriate and affirming long-term educational plan for the student. A modified plan would be created to match the needs of each individual student with on-going communication and assessment.

****For the complete procedural plans for serving students with special needs, please contact the school office.**

ADMISSIONS FOR RE-REGISTRATION PROCESS OF RETURNING STUDENTS (Revised October 2020)

Students who are enrolled for the current year may be re-registered for the next school year through the following process:

- Parents returning the mid-January intent form, stating their desire to re-enroll. If this form is not returned to the school office by designated date, the student may be removed from the class list for the next school year.
- After review of current year's tuition contract compliance, a contract for the next school will be offered provided that all current contract obligations have been met. Review to include: current tuition payments, fundraising obligation, current active parish status (financial responsibility, participation in parish life, and current service hours recorded). The contract fee is non-refundable and due with the tuition contract.
- Non-compliance could result in change of tuition contract status.

WITHDRAWAL (Revised Sept. 2020)

In the event students are withdrawn from school, parents are asked to follow this procedure:

1. Notify St. Philomena School of the withdrawal via a note to the school office with a copy sent to the principal.
2. All financial obligations must be met before a student's education records will be released.
3. Student's records will be sent at the request of the student's new school.

WITHDRAWAL REGARDING FINANCIAL MATTERS (Revised Sept. 2020)

St. Philomena School enters into covenants or contracts with faculty and staff and incurs financial obligations for the entire school year. In order for St. Philomena School to meet these financial obligations, when a student is enrolled, the parent/guardian assumes the obligation to pay the tuition/fees in full.

In order to receive a refund of tuition paid, the parent/guardian must advise the principal before the first day of school that the student will be withdrawing. The registration fee is non-refundable under any circumstances.

- If a student is withdrawn by the first day of school, 75% of the tuition is refundable.
- If a student is withdrawn after the end of the first trimester, 0% of the tuition is refundable.

Extenuating circumstances regarding the withdrawal of a student will be considered pending a review by the pastor and principal.

The school reserves the right, if any tuition payment is past due, to remove the student(s) from the school. The school has the further right to refuse re-enrollment for the following school year until financial commitments have been met. No transcripts of grades or school records of any child enrolled in the school shall be provided without prior payment of tuition due to the school.

RIGHTS OF THE SCHOOL AND RELATIONSHIPS (Revised June, 2020)**PRINCIPAL PRIVILEGE**

The Principal interprets and reserves the right to amend or adjust the handbook after consultation with and approval from the pastoral leader. Parents will be notified of any changes in the handbook through the school newsletter.

RESPECT OF SCHOOL PROPERTY

Care of school property portrays a sense of pride and also strong school spirit. For this reason, all students will treat school property with care and respect. This includes being respectful of restrooms and classrooms and all that they contain.

SEARCH AND SEIZURE

The principal and/or his/her designee may search student desks, lockers, and personal belongings, including, but not limited to, handbags, briefcases, purses, backpacks, clothing and other items in a student's possession. The local police, using drug detecting dogs, may be invited into the school on a random basis to search lockers as a proactive, preventative measure.

USE OF STUDENT INFORMATION AND PICTURES

St. Philomena School reserves the right to use student pictures (or video) in publications and on the school's website. Student's full names will not be published with pictures or video. A parent who does not wish his/her child's picture used must notify the principal in writing prior to the beginning of the school year.

USE OF SCHOOL/PARISH GROUNDS

St. Philomena School grounds are not supervised outside of school hours or school events. Please respect the dedicated space and usage of the covered play area, field, and play zones during active school hours.

SCHOOL/HOME RELATIONSHIPS

St. Philomena School believes that education is a partnership between home and school. If, in the opinion of the administration, parent behavior seriously interferes with the teaching/learning process and the Christian community, St. Philomena School may require parents to withdraw their children and sever their relationship with the school.

ST. PHILOMENA SCHOOL FINANCIAL POLICIES (Revised June 2020)

Tuition and Fees

1. The School Commission, in consultation with the principal and pastoral leader, is responsible for setting the non-refundable registration fees as well as tuition rates.
2. All tuition contract/covenant obligations for the prior year must be paid in full to insure a student's registration for the following school year. Tuition contract obligations for eighth graders must be paid before graduation. All report cards, mid-term reports, and school records, including eighth grade diplomas, will be withheld until all fees are current. If special arrangements are necessary, please contact the principal.

Tuition Goals

Our tuition goals are:

1. To try our best to make Catholic School education affordable to all who truly desire and value it for their children.
2. To foster a trusting, community relationship between the parish, the school, and the Catholic family.
3. To generate funds so the school has a solid financial base that can more effectively improve programs and services.

St. Philomena Tuition Rates

In-Parish Rate:

A St. Philomena In-Parish family is one who is registered at St. Philomena Parish prior to school registration.

- If relocating to the area from another Catholic school, a letter from the former parish expressing active parish family status would be acceptable.
- If coming from another parish that does not have a school, a letter from the pastor expressing active parish status would be acceptable.

A St. Philomena In-Parish family is one who is participating in the sacramental life of the parish by regularly attending Mass, supporting parish activities, and financially contributing. A St. Philomena In-Parish family also has a **Stewardship Commitment Card** on file in the parish office. A suggested donation for the in-parish tuition rate is \$25.00 to 50.00 a week.

Monitoring of the St. Philomena School In-Parish Tuition Rate Privilege

- If an in-parish tuition family does not make continual financial contributions to St. Philomena Parish between June 1st, 2023 and September 30th, 2023; they will be moved to the out of parish tuition status on November 1st, 2023. A quarterly review will be shared by the parish office to verify contributions.

Non-Parish Rate:

A non-parish student is one who has not been baptized into the Catholic Church and does not receive in-parish tuition.

Tuition Payment Policy

Recognizing that payment of school tuition is a requirement of each family and that the need to maintain a continuous and consistent cash flow is essential to the well-managed school, our school follows the following policy regarding tuition payment:

Tuition is due on or before **the fifth day** of every month. Should a situation arise that a payment will be late, the parent is responsible for notifying the school principal as soon as possible. In the event that a family fails to pay tuition on time, the school principal will initiate the following procedures:

1. If at the end of **thirty (30) days** the tuition account is not current, the parent will be notified by the principal of the past due amount. A late fee of \$25 will be added to the total tuition balance, and additional late fees of \$25 each month will continue to be added until the account is current.
2. If at the end of **sixty (60) days** the past due condition continues to exist, the parent will be notified in writing by the principal that the account must be brought current.
3. If at the end of **ninety (90) days** the account has not been brought current, school services to the family will be immediately discontinued and the account will be referred to a collection agency.

St. Philomena School reserves the right, if any tuition payment is past due, to remove the student(s) from the school. The school has the further right to refuse re-enrollment for the following school year until financial commitments have been met. Re-enrollment in the current year or enrollment for the following year will not be accepted until tuition and fees are paid in full. The school will withhold all report cards, mid-term reports, and school records, including eighth grade diplomas until all financial obligations are met. Additionally, families who have past due tuition are not eligible for tuition assistance.

Families that are experiencing financial difficulties should contact the principal immediately.

Tuition Assistance (Revised June 2021)

Fulcrum Foundation Tuition Assistance

The Fulcrum Tuition Assistance Grant program is designed for families and students currently enrolled or applying for the next school year in any Catholic school in the Archdiocese of Seattle. A family must apply each year through FACTS Grant and Aid Assessment to qualify for a grant. All awards are made based on financial need.

St. Philomena School Financial Aid

Local financial assistance can be requested by any current school family. However, families must first apply for the annual Archdiocese of Seattle Tuition Assistance Grant funded by the Fulcrum Foundation (See above). Once a family has submitted the application by the designated deadline, the family can then request an application form for the St. Philomena School Financial Aid. The confidential form is processed by the school administration and awardees are based on financial need only. Each new school year, the applicant must reapply for the Fulcrum Tuition Assistance Grant and St. Philomena School financial aid. Any special circumstances will be handled confidentially by the principal and pastoral leader.

The Tuition Assistance Committee will determine the process and amount of tuition assistance based on specific criteria. St. Philomena School families who belong to St. Philomena Parish receive first consideration for assistance. Families will receive notification from the principal regarding their tuition assistance award.

Consideration for assistance are prioritized as follows:

1. Current St. Philomena School families
2. Incoming registered St. Philomena Parish families
3. Incoming practicing Catholic families
4. Non-Catholic families

Families will receive notification from the principal and bookkeeper regarding their tuition assistance award.

Emergency Financial Aid

Life status changes occur and St. Philomena School tries to respond to the situation. If a current school family has experienced a life status change, the family may submit in writing an emergency scholarship request. If any funds are available, the principal will work with the pastoral leader to assess the need and respond accordingly.

FUNDRAISING (June 2023)

Each school family will be required to participate in fund raising. St. Philomena School families must participate in three fundraisers: Anchor Fund, the SCRIP Program and the SPLASH Auction.

The cost to educate a child at St. Philomena Catholic School is approximately \$9,547. Tuition covers a portion of this cost. The remaining costs are made up through fundraising.

Anchor Fund

St. Philomena School's Anchor Fund is not a "fundraiser," rather it is a commitment by you to invest in the future of St. Philomena School; it is your way to "vote yes" for Catholic Education via a monetary donation to the school that will provide tuition assistance to those seeking Catholic education, bolster and improve the school's facilities and safety, and secure the heritage and tradition of St. Philomena School.

Every family **MUST** financially support the St. Philomena School's Anchor Fund. All Anchor Fund donations are tax deductible. The Anchor Fund is held annually every October.

SCRIP PROGRAM

The word scrip is a noun referring to a form of payment issued by an organization and used to redeem a credit. Fittingly named, scrip simply refers to gift cards purchased from Saint Philomena that can be used at various retailer stores. St. Philomena School purchases gift cards at various discounted price determined by the retailer. These cards are then sold at face value. The difference between the amount we paid and the amount we sell it for is the funds we raised! This profit will be referred to as your “rebate earned”.

There are a wide variety of gift cards, from gas, groceries, department stores, retail stores, restaurants, movies, selected airlines, hotel and car rentals. Gift cards are available in several forms. There are actual physical cards as well as readily available electronic gift cards printed from your own computer or shown to the retailer from a Smartphone.

Each family must purchase SCRIP to generate a minimum of \$225.00 in revenue for St. Philomena School. Families not meeting the minimum \$225.00 will be billed the difference between revenue generated and \$400.00 by the end of May. Families also have the option to Buy-out SCRIP at \$400.00 by the end of May.

Statement of liability/ waiver: The School assumes permission to send/receive actual SCRIP through the Wednesday envelope system or directly home with the students.

SCRIP PROFITS

A family whose last child is a graduating 8th grader and who is attending a Catholic high school may forward any SCRIP profits to the Catholic high school your student has selected to attend. These profits will be sent as scholarship funds in your child’s name. For the profits to be sent, a letter of designation to the selected Catholic high school must be sent to the St. Philomena School bookkeeper by June 1st.

A family whose last child is a graduating 8th grader and is not attending a Catholic high school may apply any SCRIP profits back to St. Philomena School or can designate to a current St. Philomena School family to help with their tuition costs. For the profits to be designated to a current St. Philomena School family, a letter of designation must be sent to the St. Philomena School bookkeeper by August 1st.

SCRIP profits from anyone else who purchases SCRIP and not a current St. Philomena School family goes to the St. Philomena School Fragile Families SCRIP Fund, which can be designated for a particular family or for the general fund. Please see the bookkeeper for additional details.

Any designations not listed must have approval by the principal and pastor

SPLASH AUCTION- *St. Philomena Leadership, Action, Scholarship, Heritage*

The SPLASH auction is St. Philomena School’s largest fundraiser. The auction is dedicated to support the full mission of the school, and is held each year. The Development Director and a team of volunteers work throughout the year to create a signature event celebrating and financing the gift of Catholic education. Per the tuition contract, families donate, “procure” items for the auction or they can buy out their financial obligation. Buy-out money is used by the SPLASH procurement team to purchase quality items for the auction.

SPLASH REVENUE ALLOCATIONS

The proceeds from SPLASH shall be designated as follows:

- a. 70% for School Operating Budget.
- b. 20% for St. Philomena Tuition Assistance.
- c. 10% for Long-term Development.

Any deviation from the above allocations needs approval by the Pastor, Principal, and School Commission.

Each family must procure an item(s) and/or service(s) at \$300.00 or Buy-out (Cash, Check, or Credit Card) their commitment at \$350.00 by December 14, 2023. The other option is to procure an item(s) and/or service(s) at \$350.00 or Buy-out (Cash, Check, or Credit Card) their commitment at \$400.00 by January 25, 2024. No procurement items will be accepted after January 25, 2024 and the Buy-out commitment will be \$500.00.

SERVICE HOURS

As part of the tuition contract or covenant, each family is responsible for finding, recording, and tracking their parent service hours during the school year. The annual commitment hour requirement is 40 hours for a two-parent family and 20 hours for a single-parent family. Failure to fulfill the annual commitment hour requirement will result in an assessment charge of \$30.00 per hour due May 31st each year. Parents also have the option to buy-out Service Hours at \$30.00 per hour by the end of May.

It is the parent's responsibility to find opportunities to serve the school or parish. Families are encouraged to document their hours through the online Google form.

Any service supporting the good works of the school and parish are counted as volunteer hours. Ideas include, but are not limited to: room parents, working in the classroom, home projects, SPLASH auction, Scrip program, Eucharistic ministers for parish Masses, chaperoning on fieldtrips, attending the monthly PEP Club meetings and MORE!

ACADEMIC POLICIES (Revised June 2020)

St. Philomena School exists to teach the message of Jesus Christ to its students. The curriculum taught at St. Philomena School meets Archdiocesan requirements for textbooks, materials, and time allotments for subject areas. St. Philomena School's curriculum is cross-referenced with Common Core Standards, Next Generation Science Standards, and Washington State's Essential Learning Requirements, so that it meets or exceeds current national and state standards. St. Philomena School is fully accredited through the Western Catholic Educational Association (WCEA). A copy of the accreditation study and report is available on the St. Philomena School's website and in the school's office.

CURRICULUM

The Archdiocesan curriculum guidelines are consistent with the Archdiocese of Seattle Religion Standards, State of Washington learning requirements, and the National Common Core Curriculum State Standards subject areas. We strive to offer a program which makes use of many sources of reading material, a wide variety of audio-visual and technology tools, and a multi-text approach to the content areas. Textbooks are approved by the Archdiocese of Seattle.

INSTRUCTION

The instructional program at St. Philomena School continually strives toward implementing the best and most appropriate teaching practices. These practices include: circulating, direct instruction, coaching, guided practice, presenting, modeling, problem-based learning, hands-on experience, use of technology, incorporating learning centers, writing process/workshops, employing close reading, text and evidence questions and answers, teacher directed questions and answers, high level questioning, discussion, and observing.

REMOTE LEARNING

There may be situations that arise such as a public health issue, weather related issues, no access to water or power outages that force the school to enact a remote learning model (learning from home via online devices). The remote learning model will occur in order not to interrupt that academic learning cycle. Specific details about the remote learning model such as expectations and schedules will be communicated through email and posted on the school's website. Remote learning is considered school contact days and fulfills school hour obligations.

RELIGION

The school is committed to promoting Gospel values in every aspect of school life. Besides daily instruction in the Catholic faith, St. Philomena School emphasizes daily prayer, frequent and regular worship, service projects and outreach, training and preparation for the sacraments, and Catholic Social Justice teaching. This is inclusive of the mutual respect of teachers, staff, students, and parents, and the implementation of school policies and programs, which are just.

Parents are the primary educators for the faith of their children. The school's role is to support families in this critical aspect of parenting. Families are encouraged to be active participants in their respective faith communities by regular attendance at Mass and by sharing their time, talent, and treasure. Sunday or Saturday Vigil Mass attendance is expected of all Catholic school families. Friday or daily Mass is not a substitute for Sunday or Saturday Vigil Mass attendance.

Non-Catholic Students Non-Catholic students shall be considered integral members of the student body, expected and required to participate in all aspects of the school program.

- Non-Catholic students are required to attend and participate in religion classes. Teachers will be sensitive to the student's ability to understand and be respectful of his/her personal religious convictions.
- Non-Catholic students shall be required to be present for Mass and other religious services. They are not required to actively participate in such services, but are invited and encouraged to do so to the extent they are able. In accordance with the teachings of the Catholic Church, non-Catholic students are not permitted to receive Communion.

The Code of Canon Law does not object to the reception of Communion by Christians of the Orthodox Churches, the Assyrian Church of the East, and the Polish National Catholic Church. Members of these churches are urged to respect the discipline of their own churches.

Non-Catholic students, like other students, are required to participate in service learning projects and student service hours sponsored by the school.

Religion Class - Religion is taught regularly as part of the school curriculum, using the Standards approved by the Office of Catholic Schools of the Archdiocese of Seattle, and the United States Conference of Catholic Bishops (USCCB).

Sacrament of Penance - Opportunities to receive the Sacrament of Penance are made available to the students throughout the school year. This is not meant to take the place of the students receiving this Sacrament on their own or with their families.

Confirmation-

The Archdiocese of Seattle made a major change regarding the Sacrament of Confirmation in 2019. Current information about Confirmation from the Archdiocese may be found at <https://seattlearchmya.weebly.com/confirmation.html>.

Confirmation is taught through the religion curriculum for 7th grade students. 8th grade - 12th grade will be taught Confirmation through the parish program. This program is usually taught on Sunday afternoons. There will be a Confirmation retreat for all 7th-12th grade students in January and all the students will receive the Sacrament of Confirmation together in late January or February.

Community Service - Each student and class takes part in Christian service activities throughout the year.

ACRE Test - The elementary religion curriculum will be evaluated by a uniform means of assessment, including national assessments, with oversight by the Office for Catholic Schools. Students in grades 5 (level 1) and 8 (level 2) will take the ACRE (Assessment of Children/Youth Religious Education) assessment offered by the National Catholic Educational Association (NCEA) in the month of April. The school will receive a group report for each ACRE leveled assessment used in the school.

Mass – St. Philomena School is foremost a Catholic School. We are committed to the spiritual development of our students. In pursuit of this goal, the school community gathers weekly for the celebration of the Eucharist. The school Mass is not a substitute for the obligation of each Catholic to attend Sunday Mass.

Prayer - In order to foster the habit of daily prayer in our lives, the school day begins and ends with prayer. Students are each encouraged to use these and other opportunities to ask forgiveness, give thanks, and praise and recall God's blessings.

Students are responsible for their own band instruments; however, instrument rentals are available through an outside rental agency. The band performs at the annual Christmas and spring concerts.

Choir Program -- The primary focus of the school choir is music ministry, serving our school community at weekly Mass. The choir also prepares music to sing at the Christmas and spring concerts.

MATH PLACEMENT- (Revised March 2021)

The St. Philomena math teachers recognize the importance of building a strong foundation in math, and in most cases, it is best for a student to stay at grade level to grow in their mathematical skills.

Middle School Math Placement- The middle school math program consists of 6 different math classes:

- Math 1 ~ Designed for 6th grade and 7th grade students who need to build foundational skills
- Math 2 ~ 6th grade level and for 7th graders who need to build foundational skills
- Math 3 ~ 7th grade level and for 8th graders who need to build foundational skills
- Pre-Algebra ~ 8th grade level
- Algebra 1 ~ A high school level class
- Geometry ~ A high school level class

A Math Team consisting of the middle school math teachers, the 5th grade math teacher, and the principal, meets in June to determine math placement for the following school year. The Math Team takes the following criteria into consideration when placing each student:

- The student's current math class grades
- MAP test scores
- Moby Max scores (including Fact Fluency)
- Does the student have homework scores consistent with test scores?
- Does the student have a history of turning work in on time?
- Does the student show steps in written work?
- Is the student an independent worker and learner?

In addition to the above criteria, the Math Team considers the following essential skills that are key to the success of a student that is placed in an Advanced Math Class (above their current grade level):

Current math grades:

- Does the student have an A- average with no trimester grade lower than B+?
- MAP Test proficiency - 90%
- Is the student fluent in their basic math facts?
- Does the student have a history of good attendance with minimal absences?
- Does the student always complete their homework?
- Does the student consistently and thoroughly show all the steps in written work?
- Is the student able to solve real-world problems independently?
- Is the student quick to recognize numerical and geometric patterns?
- Does the student apply thinking skills and mathematical reasoning?
- Does the student ask the teacher for help after utilizing all other resources and materials?
- Is the student able to ask specific questions in relation to learning taught concepts?

Maintaining Advanced Math Placement

All students placed in an advanced math class enter the new school year on a probationary period in order to demonstrate the habits and skills needed for success in the new level of challenge. The student must maintain a 90% average at the end of the first trimester to remain in the advanced class and maintain a B average throughout the year.

Experience has shown that these criteria are essential for success in advanced placement. No other criteria will be considered for placement in an Advanced Math Class.

Math Placement Notification:

Placement decisions for middle school math classes are made at the end of each school year and no placement changes will occur after the Math Team decision has been made. Families will be notified of placement decisions in a letter enclosed with the final report card.

Grades 1- 5 Advanced Math Placement-

Decisions to move a student up to the next grade level in math is made by the grade-level teachers and the principal. The teacher will consider a variety of criteria. These include, but are not limited to, natural math ability, proficiency at least one full grade ahead of current grade, and diagnostic/assessment tools such as MAP Tests, Moby Max, and ST Math. Each year the classroom teachers will review every advanced math student to determine if advanced math is still the right course for the student. The St. Philomena math teachers recognize the importance of building a strong foundation in math, and in most cases, it is best for a student to stay at grade level to grow in their mathematical skills.

TECHNOLOGY (Revised November 2020)

Students are preparing to be a 21st century digital learner in which technology literacy is an important part of their future educational and vocational careers. Technology allows students to develop their learning styles and explore more creative ways to demonstrate their mastery of skills, concepts, and information. Technology is a tool by which teachers can reach each student at his or her own level, pace, and interest to enhance their lifelong learning process. This is an integral part of the educational program at St. Philomena School.

Students accept the responsibilities and guidelines outlined in the agreements they sign each year for the use of all St. Philomena School electronic devices. Any damage to any electronic device through improper use will be the responsibility of the student and their parents. Internet access is available to students for educational purposes only in a multitude of settings. St. Philomena staff has taken precautions to restrict access to inappropriate information.

Technology -- St. Philomena School is a Google based school. Students are introduced to major operating systems that may include Windows, Chrome, and IOS/Apple. Technology components include keyboarding, documentation, visual presentations, and other curriculum-aligned projects.

ASSESSMENT

St. Philomena School teachers use a variety of methods and types of assessments to monitor and ensure student learning. Students are assessed informally through observing, listening, asking questions, discussion, and requiring written responses to ensure the students understand a concept or skill. Students are also assessed through formal assessment, which include, but are not limited to: portfolios, written tests, oral tests, performance tasks, and projects. Parents can check grades through the online Chalk program and report cards are sent home three times a year. Students in grades K through 8 take The MAP standardized tests. The data the school collects from these tests and classroom assessments is then disaggregated and is used to help inform instruction and curriculum.

LIBRARY GUIDELINES (Revised March, 2021)

LIBRARY MISSION STATEMENT

The mission of the St. Philomena School Library is to help develop reading skills, encourage recreational reading, help familiarize students with the world around them, both present and past, enhance the curriculum taught in the classrooms, and to promote a life-long love of reading.

The staff strives to inform, enrich, and empower every member of the school community by providing access to high-quality, appealing, timely, authoritative, and reputable materials in a variety of genres for all age levels. The library staff acquires, organizes, and provides a wide variety of literature, Catholic resources, and other relevant library materials for the entire school community. All students are encouraged to visit the library regularly so that they may enjoy and benefit from these materials.

LIBRARY POLICY

It is a **privilege** for students to use this facility and its materials. With this privilege come the following **responsibilities**:

- **Students are responsible** for knowing what books they have checked out and for knowing where those books are at all times.
- **Students are responsible** for taking proper care of library books and for returning them on time.
- **Students are responsible** for learning and demonstrating proper library behavior at all times in order to maintain an environment conducive to focusing and learning.

Overdue Notices: Overdue notices will be sent home when a book is overdue. No further materials may be checked out until the overdue book is returned.

Damaged Library Books: Students whose books are returned damaged beyond what would be considered “normal wear and tear” will incur a fine in an amount commensurate with the extent and type of damage. If the damage is so extensive that the book is no longer fit for circulation, the amount of the fine will be the fair market value of the book.

Lost Library Books: If a student believes they have lost a library book, the librarian should be notified as soon as possible. If the book is not returned within 30 days of the original due date the student/parent will be billed for the replacement cost of the book.

Final Overdue Notices: In May, as the library prepares to close for the year, all books will be due and final overdue notices will be sent. If books are not returned by the final due date students will be charged for the fair market value of replacing the book. Report cards will be held until all library fines are paid.

Questions, Comments, Concerns: If you have a question, comment, or concern about our materials, service, or library in general, please submit it in writing to the library staff. The librarian and the school administration will meet with you to respond to your concern, and the pastor will make all final decisions.

LIBRARY BIRTHDAY BOOKS & DONATIONS

Birthday Books will now be available for purchase at all PEP Club meetings and at special school functions. The books are already purchased, processed and ready to hit the shelf. All you have to do is make the purchase and the library will do the rest. A book plate with your child's name will be added to the front of the book to commemorate the special event and your student will have the opportunity to be the first one to check the book out of the library. This is a great way to grow our library collection.

OTHER WAYS TO SUPPORT OUR LIBRARY: Donations of money and/or Amazon or Barnes & Noble scrip are always welcome and are always deeply appreciated. The librarian will use the money to purchase books to add to the library collection.

FIELD TRIPS (Revised Nov. 2020)

Field trips are planned by the teacher to enrich the curriculum. They are a privilege afforded to students; no student has an absolute right to a field trip. Students can be denied participation if they fail to meet academic or behavioral requirements.

Teachers will notify families in advance of these trips. All students must bring the required permission form and money in advance of the field trip day. Phone calls will not be accepted in place of the written form. Only students currently enrolled at St. Philomena School are allowed to participate in field trips. Only those approved by the classroom teacher will be allowed to chaperone and attend the field trip. Parents who volunteer for field trips must find childcare for their children not enrolled at St. Philomena School.

Fees will be collected from school families to pay for the cost of the field trip and the bus transportation. Bus transportation is the only method to be used for any field trip. There may be times when an alternative form of transportation is needed (clubs). School uniforms are to be worn on field trips unless otherwise indicated by the principal.

Volunteer hours can only be earned by chaperones if the following expectations are observed.

This is what it means to be a chaperone:

1. Students must be accompanied by an adult at all times.
2. Students must travel in pairs into public bathrooms (especially if the chaperone is of opposite gender of the child).
3. Parents must be actively engaged with the students in their care.
4. Students are not to be using their own cell phones or cell phones of a parent at any time during the field trip.
5. Parents may not change plans but are to follow the teacher's schedule/ directions.
6. Safe environment classes must be up to date as well as a current background check on file at the school office.
7. Chaperones may not purchase any food or treasures for students in their group.
8. Chaperones may not bring special treats for their group.

9. Supervision is required on the bus. Chaperons should be seated with their assigned group on the bus ensuring students are seated, facing forward, and speaking with indoor voices.

10. Chaperones will model appropriate behaviors.

Failure to follow these guidelines may impact a parent's ability to chaperone on another field trip.

ENVIRONMENTAL EDUCATION (Revised March 2021)

The Environmental Education Program at CYO Camp Hamilton is a part of the 6th grade curriculum at St. Philomena School and attendance and participation in camp and camp activities are mandatory. It is not an optional program as it reflects directly upon the expectations and grades and encompasses every subject. The environmental education program is in direct alignment with Next Generation Science Standards, Washington State Environmental Educations Standards, and the Archdiocese of Seattle religion standards. Camp Hamilton is owned by the Archdiocese of Seattle and is operated in accordance with values and morals uplifted by the Catholic Church. Students attending camp will practice academic risk-taking skills through critical and creative thinking, problem solving, and working cooperatively in addition to participating in liturgical celebrations.

Camp Hamilton is not an optional program; the only excused absence from camp is illness with a doctor's written note recommending that the student avoid outdoor activities. A student who misses camp due to an illness is responsible for making up missed work and the student's family must make arrangements for the student not to be at school during camp week. If a student does not attend camp due to another reason besides illness, 1/3 of their overall science and religion grades for the 3rd trimester can be affected.

Payment for this important educational experience is the responsibility of the parents of 6th grade children. Limited scholarships for camp are available; access to these funds must be obtained through the principal. Payment for camp must be paid to St. Philomena School in full before a student is allowed to attend camp. There are also a few additional supplies that will need to be purchased for camp. The packing list will be shared with the parents at the mandatory camp parent meeting.

Adult chaperones are needed for the successful implementation of camp activities and events. Any interested chaperone must fill out a camp chaperone application. Only current 6th grade parents, guardians, or grandparents can be selected as a parent chaperone. Chaperones must be over 21 years old. All participants must abide by the rules set forth by St. Philomena School and Camp Hamilton; these include cell phone and other electronic device usage which are not allowed. All chaperones must have completed the Archdiocesan Safe Environment training. The 6th grade science teacher and the administration will make the final determination on the selection of parent chaperones. In addition, all 6th grade parents must attend a mandatory camp meeting which will outline important information and expectations of camp policies and procedures for both the students and chaperones. The parents/students will also receive necessary forms that will need to be filled out in order to attend camp. These include a permission slip, medical form, student behavior contract, and a waiver to participate in activities.

FAMILY LIFE PROGRAM (Revised March, 2021)

St. Philomena School Family Life Program

The primary focus of St. Philomena School Family Life Program is the principle that students will understand that their life is a gift from God and is nurtured in and by a loving family. The Family Life Program is an integral part of the St. Philomena School religion curriculum.

The Family Life program is a program that honors the family and honors the gift of human life. The program provides ongoing formation in Catholic Social Teaching, Catholic Sexual Morality, and Christian Morality.

The Family Life program is guided by the principles that:

- Parents are the primary educators of their children, and St. Philomena School will work with parents to help them carry out this responsibility.

- Family Life formation is presented according to the doctrinal and moral teachings of the Catholic Church.
- Family Life formation is best taught in stages according to each child's age and maturity.
- Education for chastity is more than a call to abstinence. It requires the need for a family environment of love, virtue, and respect for the gifts of God; learning the practice of decency, modesty, and self-control; recognizing one's own embodied existence; and discerning one's own vocation.

St. Philomena School's Family Life program recognizes that human sexuality as male or female is a gift from God, a gift to be respected and revered. All formation in family life will honor parents as having the primary role for forming the faith in their children. Formation in family life will assist parents and their children in forming their consciences and leading lives that resonate with the beliefs and teachings of the Catholic Church.

The guiding principles of the Family Life program are taught throughout all the grades at St. Philomena School, with specific Family Life lessons beginning in 3rd grade. The human sexuality component of the Family Life program, which is only one component of the Family Life Program, will begin in the 5th grade.

- 5th Grade is taught in a homogeneous (single-sex) format with human sexuality focused on maturity and development of one's own body.
- 6th Grade is taught in a heterogeneous (co-educational) format with human sexuality focused on the development and birth of a human life. An overview of human reproduction will be taught in a homogeneous format.
- 7th Grade is taught in a heterogeneous format with the human sexuality focus on chastity and abstinence. An overview of human reproduction will be taught in a homogeneous format.
- 8th Grade is taught in a heterogeneous format with the human sexuality focus on chastity and forming healthy relationships.

The St. Philomena School Family Life program is presented at a parent meeting in January at which time the materials and overview of the program is discussed. Parents receive written information about the St. Philomena School Family Life program to help in their role as their child's primary educator both on an individual grade level and as a whole school community. We are asking all parents to be an active part of the Family Life Program. Parents will have the option to not have their child participate in only the human sexuality focus of the Family Life program; however, these parents must notify the school of their intent in writing and will need to teach the human sexuality component at home to their child.

Parents will receive the Family Life Program policy and guidelines on a yearly basis, at time of registration, and on the school's website. The St. Philomena School faculty who teach the Family Life program receive continuing formation to help them fully utilize the teachings of this important program. The St. Philomena School Family Life policies are reviewed and updated as needed.

The Family Life Program at St. Philomena School is fully aligned with the Archdiocese of Seattle, The U.S. Conference Catholic Bishops, and the Catholic School Accreditation process.

WASHINGTON DC EDUCATIONAL TRIP (Established May 2018)

St. Philomena School students have the option of participating in an educational trip to Washington DC. This program, sponsored by an outside travel company, exposes students to the rich and diverse historical offerings of our country's capital. This trip occurs every other year during spring break when school is not in session, and is chaperoned by St. Philomena School faculty member, Mrs. Hoyer and St. Philomena School parents. Eligible students have to be a student enrolled in 6th through 8th grade at St. Philomena School. Travel arrangements are managed through an outside travel company. Students and their families are responsible for all costs regarding the trip through fundraising and their own personal contributions.

Students attending this educational trip must adhere to behavioral contracts set forth by the travel agency and St. Philomena School. Students will be disciplined for any behaviors that are detrimental to the reputation of St. Philomena School.

Parent chaperones attending this educational trip must adhere to appropriate expectations set forth by the travel agency and St. Philomena School and are responsible for the cost of their trip. Alcohol consumption is strictly prohibited by parent chaperones. Swimming at a private or public pool or beach is not allowed.

Any family wishing to have their child attend the DC trip must be current with all their financial obligations and parental commitments and cannot have any outstanding financial issues with St. Philomena School.

STUDENT SERVICE HOURS (Revised November 2021)

As part of our mission to help the students understand their role in the larger community and to develop in them a sense of service and responsibility, students in all grades will be required to perform hours of community service per year. Service is giving of one's time to help someone who is less fortunate. Hours may be earned in parish, school, or community service beyond the school day. The service is required to be completed and recorded by the **middle of May**. The students will record their hours in a log and have them signed by an adult. Failure to complete the hours may result in a religion grade reduction in the third trimester. Students in PreK – 2nd grade need to complete 5 hours; students in 3rd – 5th grade need to complete 10 hours; and students in 6th – 8th grade need to complete 15 hours.

HOMEWORK (Revised April 2021)

The St. Philomena School faculty is committed to assigning homework that is authentic and relates to the learning concepts that are taught in the classroom. Homework assignments are considered an extension of classroom work and are a means of reinforcement and, with few exceptions, should be completed by the student on his or her own. Studying for tests and quizzes are also an essential part of the homework process. Much can be accomplished if parents help foster systematic home study habits in their children and provide adequate study space, lighting, and a proper environment free from distraction.

PRE-KINDERGARTEN and KINDERGARTEN

Homework assigned to students is under the discretion of the teacher. The length of the daily homework assignments is approximately 20 – 30 minutes.

FIRST and SECOND GRADE

Each child is responsible for daily homework from Monday through Thursday. The average length of the daily homework assignments is approximately 30-45 minutes.

THIRD, FOURTH and FIFTH GRADE

Each child is responsible for daily homework from Monday through Thursday. The average length of the daily homework assignments is approximately 45 minutes to one hour.

MIDDLE SCHOOL – SIXTH THROUGH EIGHTH

Each child is responsible for daily homework from Monday through Thursday. The average length of the daily homework assignments is approximately one hour to one and one-half hours.

Additional Homework Notes:

- Students in 3rd – 8th grade are responsible for writing down their homework for each class in the assignment notebook they receive in September.

- If a student consistently spends more time than is recommended in real studying (without technological distractions), the teacher should be notified and adjustments will be considered.
- Various assignments and long-term projects may involve homework on the weekends. The teacher will monitor the progress of long-term projects.
- Grades 3rd – 8th may expect homework on the weekends and it may be to a student's advantage to complete assignments outside of the school week.

LATE WORK (Revised April 2021)

For middle school students, if an assignment is late there will be a 10% reduction on the grade. After an assignment is 3 days late it is up to the individual teacher's discretion if it will be accepted. Teacher discretion is taken into consideration on late long-term assignments and projects. In PreK -- 5th, the late work policy is under the discretion of the teacher.

MAKE-UP WORK (Revised May 2021)

When a student is absent from school due to an illness, he/she will be given the same number of days he or she was absent to complete and turn in missing work. It is the responsibility of the student to arrange for all make-up work. Parents may call the office to pick up work if the student has been absent for more than one full school day.

GRADING (Revised May 2021)

Students in the primary grades (PreK-4) are assessed using a three-tier grading scale based on meeting the academic standards for their grade level. Students in grades 5-8 are assessed on a hybrid-letter grade system that is aligned with the academic standards of their grade level. Students' effort and personal development are also assessed. A modified academic plan may be established if a student has specific academic needs. This academic plan would be pre arranged between the teacher and the principal in conjunction with parents.

GRADING SCALE FOR GRADES PreK - 4:

M= Meeting standard
A= Approaching standard
B= Below standard
N/A= Not assessed at this time

GRADING SCALE FOR GRADES 5- 8:

A = 95 – 100%	C+ = 80-82 %	M= Meeting standard
A- = 92 – 94%	C= 77-79 %	A= Approaching standard
B+ = 89 – 91 %	C-= 74-76 %	B= Below standard
B = 86 – 88%	D= 68-73 %	N/A= Not assessed at this time
B- = 83-85 %	F= 67-50 %	

GRADE CHANGE

If there is any discrepancy with a grade, parents may send a written inquiry to the school within one week of the issuance of the grade.

PROGRESS REPORTS (Revised May 2021)

Frequent communication between home and school is encouraged regarding your child's academic progress. Parents of students in 3rd -8th grade can check grades frequently through an online Grading program. Printed progress reports are sent home for students in 1st- 2nd grade. These reports are sent home periodically during each trimester. Progress reports are not part of a child's permanent school record. Parents are encouraged to contact teachers with questions and/or concerns. Appointments should be made with the teacher of the class. Such a meeting should never be attempted during class hours, carpool, or recess periods.

REPORT CARDS (Revised May 2021)

Trimester report cards are issued at the end of each 12-week term. We encourage parents to discuss these reports with their child and to work cooperatively with teachers in their efforts to help each student develop to his or her potential. Report cards are not intended to provide a complete evaluation of a child's progress. They are tools of assessment that are used to measure a student's achievement, effort, and performance. A conference may be scheduled when needed to give a more complete view of a child's overall progress.

PARENT TEACHER STUDENT CONFERENCES (Revised May 2021)

Mandatory Parent-Teacher-Student conferences will be scheduled for each family in the middle of the fall and winter grading periods. The purpose of these conferences is to provide an up-to-date and personal evaluation of the students' work and progress and to discuss with parents ways to assist their children. Conferences also give parents an opportunity to ask questions and to become informed of school activities. The conferences are student-centered; each student is an active participant and all students in grades 1-8 are expected to attend. Attendance of Pre-Kindergarten and Kindergarten students is up to the discretion of their teachers. Registering for conferences is done through an online sign-up.

Additionally, conferences can be requested at any time by parents or teachers. To schedule a conference, please email your child's teacher.

RETENTION (Revised September 2021)

If the teacher, in consultation with the principal, determines that another year in the same grade would be beneficial for the student he/she may be retained in that grade. If retention is being considered by the teacher, parents must be notified at February conferences. A formal letter from the principal will be sent by March 1st and a final decision regarding the retention will be made by mid May. A parent may contact the classroom teacher and/or principal to discuss retention at any time.

If a middle school student (Gr. 6-8) does not pass two out of three trimesters in a core subject, he/she is in jeopardy of not advancing to the next grade level or not graduating from St. Philomena School. In all cases, the final decision rests with the principal. Students may be required to attend the St. Philomena Summer School Program as a means of advancing to the next grade.

ACADEMIC PROBATION (Revised September 2021)

Probation may occur if a student is not meeting the academic requirements of his/her particular grade, or if there is continuing serious academic deficiency. A student may be placed on academic probation by the principal in consultation with the teachers. The principal will determine the length of the probation period. If there is no improvement during the probation period, the student may be asked to withdraw from St. Philomena School.

ACADEMIC PROMOTION (September 2021)

Students are promoted from one grade to the next once a year based on the student's satisfactory completion of the grade requirements. Final decisions regarding the promotion of a student is the sole responsibility of the principal.

ACADEMIC TRIAL PERIOD (September 2021)

All students who are newly enrolled in 5th through 8th grade at St. Philomena School are admitted on a six week trial basis. Parents/guardians will be notified of their child's progress through regularly scheduled progress reports, report cards, and at parent/student/teacher conferences. At the end of the trial period, parents/guardians will be notified if an extension is necessary.

SUPPLIES (September 2021)

The responsibility for having necessary school supplies belongs to each family. A supply list is sent home in June and is available on the website. Textbooks should be kept in the best possible condition, as they are on loan to the students. The student is expected to pay for the loss or damage done to any textbook. Each student in 3rd through 8th grade is assigned their own Chromebooks for which they assume sole responsibility. The student is expected to pay for the loss or damage done to any Chromebooks.

TUTORING (September 2021)

Teachers may tutor a student for profit in a subject, if they are not responsible for teaching the student in that particular subject. Class time may not be used for any private lesson or practices.

ST. PHILOMENA SCHOOL DISCIPLINE & BEHAVIORAL POLICIES (Revised September 2023)

We are committed to the development of a Christian community wherein all members are encouraged and supported in their growth toward fullness in the person of Christ.

Purpose of discipline at St. Philomena School

1. To provide an environment of Christian community, wherein growth and development of the person is made possible, stimulated, and encouraged.
2. To provide an opportunity for the student to practice Christian ideals and attitudes.
3. To assist students in the development of self-discipline, courtesy, and respect.
4. To provide an atmosphere conducive to learning, wherein no one student or group of students deprives others of their right to learn.

Appropriate behavior is defined as following three basic expectations:

- We respect self and others.
- We respect and care for school and personal property.
- We observe school rules.

The principal reserves the right to waive and/or deviate from any and all disciplinary regulations for just cause at his discretion.

Corporal Punishment

The use of corporal punishment in any form is prohibited at St. Philomena School. All school personnel exercise pastoral care in the discipline of a student, and will follow carefully articulated discipline procedures.

Disciplinary Actions

To be successful, it is imperative that all students follow school policy and guidelines. When methods of positive reinforcement and conferencing with students have not proved successful, or when seriously disruptive conduct has taken place, other actions may be necessary.

School-wide rules:

1. Students are to keep hands and feet to themselves.
2. Students are to comply with faculty and staff directives.
3. Students are to communicate respectfully to others (no profanity or name-calling).
4. Students must use technology appropriately.

Discipline procedures and policies:

Processing Reflection Forms

After a student has been repeatedly asked to discontinue the disruptive behavior, the student will receive a processing reflection form. The form indicates the disruptive behavior that has occurred. The student will then fill out the reflection piece and have a discussion with the teacher to deter this behavior from occurring again. Parent signatures are required on all processing forms.

Failure to return the form may result in an email to the parent, loss of recess or both. Multiple processings can result in a detention. A more serious behavior may skip the processing procedure and result in a detention or Wednesday School.

After School Detention

After school detention will be held Tuesday through Thursday from 3:10 PM – 3:40 PM for PreK-5th grade and 3:10 PM to 4:00 PM for 6th through 8th grade students. Students receiving after school detention are required to call home when the parent-signed detention slip is not returned. Students must fulfill their detention time before they can participate in an after-school club.

Wednesday-School

Dr. Morissette will run Wednesday-school detention on Wednesdays from 3:10 PM – 5:00 PM. Major offenses (as found in the school handbook) as well as the following may result in Wednesday-school:

- Any form of harassment
- Any form of fighting
- Inappropriate cell phone usage
- Inappropriate technology usage

Suspension

A student may be placed on suspension for serious misconduct that is detrimental to the school or the school's reputation on or off campus. A student may be suspended for a single serious offense, repeated infractions of the rules, or for the repeated disregard of the general good of the school.

A student may be removed from the school building for a period of time (not to exceed 10 school days) pending an investigation of the circumstances and a conference with the student, parents or guardian, teacher(s), and principal. A second suspension for the same or similar infractions may cause the student to be expelled.

Expulsion

Expulsion is the most drastic course of action for repeated or serious violations of school rules. Expulsion is a serious process and follows the steps outlined under suspension unless the seriousness of the circumstances necessitates immediate action. In cases of expulsions, parents and/or students have the right to request an appeal through due process.

Due Process

The principal has the right, if necessary, to exclude a student from any or all school activities during the time of due process. If a student has been expelled from the school, the parents/guardians may request a hearing from the school. If a hearing is requested, the school must be notified within five school days after the parents/guardians have received notification of the student's required expulsion. If a reply is not received within this five-day period, the hearing is waived and the expulsion from St. Philomena School is final. The

hearing committee will consist of the pastor or his designee, the principal, and a designated teacher. The final decision of the hearing committee will be submitted to the parents/guardians within five days of the hearing. The decision of the hearing committee is final.

Behavioral Contracts

A student is placed on a behavioral contract when there is a persistent issue with behavior. The school administration will determine when a student is placed on a behavioral contract. A written contract is drawn up by the school and presented to the student and the student's parents at a conference. The behavioral contract will state specific areas where growth is needed, and will provide specific directions in terms of negative and positive reinforcement.

Any student who makes a verbal or physical bodily threat with intent to cause death, or who makes a threat about guns or explosive devices will be suspended or expelled and the police will be notified.

Retaliation/False Allegations

Retaliation is prohibited and will result in appropriate discipline. It is a violation to threaten or harm someone for reporting harassment, intimidation, or bullying. It is also a violation to knowingly report false allegations of harassment, intimidation, and bullying. Individuals will not be disciplined for making a report in good faith. However, persons found to knowingly report or corroborate false allegations will be subject to appropriate discipline.

However, WA State law prohibits loaded firearms inside school facilities except for security and law enforcement.

SCHOOL POLICIES

ARRIVAL AND DISMISSAL SCHEDULE (Revised September 2023)

School begins promptly at 8:15 AM and dismisses at 2:00 PM on Mondays and 3:00 PM on Tuesday through Friday. The tardy bell rings at 8:20 AM. Students may arrive at 7:55 AM and may line up if there is supervision on the parking lot. Children arriving before 7:55 AM or staying past 3:15 PM and not participating in before or after school programs will be sent to the KIDS' CLUB program and parents will be billed accordingly. On inclement weather days, students are invited inside the building and students will go to their assigned areas to sit quietly until the school bell rings. Students are not allowed to leave the grounds without being signed out by a parent or designee once they have arrived at school.

CALENDARS (Revised June 2021)

The school year calendar is sent home electronically through the summer mailing and is available on the school's website. Monthly school calendars will be sent home electronically with the Wednesday envelope. The monthly calendar is also posted on the school's website. Should you not receive either calendar, please notify the school office. The school calendar is subject to change, but not without sufficient notice. Should a change be made after the school calendar is distributed, families will be notified via email and through the school's website.

ATTENDANCE (Revised May 2012)

Absences:

St. Philomena school hours are from 8:15 AM to 3:05 PM. Students must attend school regularly and be punctual. Absences are recorded by the homeroom teacher each day. When a student is absent from school, parents must verify the absence by phoning the school office (206.824.4051) before 8:45 AM. If there is no contact from the parents, the school will call for verification. If parents cannot be reached, persons listed on the emergency form will be contacted.

If a student is absent more than 10 days in a trimester, a parent conference will occur and an attendance contract will be established. If a student is absent 30 days or more in a school year, this will be grounds for retention, which will be handled by the principal in consultation with the student's teacher(s). Individual circumstances for the reason of the absence will be taken into consideration.

Missing school for any reason is considered an absence. Students who miss school or a class because of any absence may be provided an opportunity to make-up work. Failure to make up assignments or tests in a timely manner may result in an adverse affect on grades.

Tardiness:

The school day starts at 8:15 AM and a student is considered tardy if he or she is not in his or her classroom at 8:20 AM. All students arriving after 8:20 AM must stop in the office and receive a tardy slip to admit them into their classroom. Children should then proceed to the classroom and enter the classroom with as little disruption as possible. After a student is tardy three times, the student will lose a non-uniform day privilege.

Appointments:

Every effort should be made to arrange medical and dental appointments for times outside of the school day. See the School Calendar to note in-service days, holidays, and early dismissal times. If a student does need to leave for an appointment, parents must go to the school office to sign the student out and return to sign the student back in. **If a child is gone from school for more than three hours, it is considered a one-half day absence.**

VACATIONS (Revised April 2018)

Daily attendance is an integral part of the educational experience at St. Philomena School. The classroom interaction between students and teacher, as well as more formal instruction, is extremely important and cannot be readily replicated. Lengthy absences may interrupt student learning. Student absences for family vacations, travel, or other reasons are highly discouraged. The school calendar is published months in advance of the following school year. Please refer to the school calendar prior to planning family vacations, and arrange trips during school breaks. Students are responsible for all work assigned during their absence.

INCLEMENT WEATHER (Revised March 2015)

When inclement weather makes it necessary to close the school, parents will receive notice via: the St. Philomena School website, KOMO and KING websites and TV channels, Facebook, and Twitter. Please listen to early broadcasts between the hours of 6:30 AM and 8:00 AM and always look specifically for St. Philomena School. Please do not send students to school or KIDS' CLUB until it is confirmed that the school is open. KIDS' CLUB will open 15 minutes before the announced school starting time.

If the weather turns hazardous during the school day, parents will be notified and are expected to pick up their children as soon as possible. All missed instructional time lost due to inclement weather and school cancellation will be made up at the discretion of the principal.

Model Notification of Rights under FERPA for Elementary and Secondary Institutions

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:

(1) The right to inspect and review the student's education records within 45 days of the request for access. Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

(2) The right to request the amendment of the student's education records that the parent or eligible students believe is inaccurate or misleading. Parents or eligible students may ask St. Philomena School to amend a record that they believe is inaccurate or misleading. They should write to the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of the right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by St. Philomena School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, or assisting another school official in performing his or her tasks. A school official has legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, St. Philomena School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. (NOTE: FERPA requires a school district to make reasonable attempt to notify the student of the records request unless it states in its annual notification that it intends to forward records on request.)

(4) The right to file a complaint with the US Department of Education concerning alleged failures by St. Philomena School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office US Department of Education 600 Independence Avenue, SW Washington DC 20202-4605

Non-custodial parents

Divorced or separated parents must file a court-certified copy of the current parenting plan or residential schedule with the school office at time of registration. The school will not be held responsible for failing to honor arrangements that have not been made known. The person who signs the tuition contract is the person who will be held financially responsible for all obligations. Any modifications to the tuition contract must be made in writing and have the approval of the principal.

The cell phone is to be kept completely off and in the student's backpack. Students who abuse the cell phone rule will have their phones confiscated and returned at the discretion of the principal.

COMMUNICATION (Revised May 2013)

Consistent communication between the school and home is an important component of a positive educational environment and is highly valued at St. Philomena School. Correspondence from the school is delivered to families in several ways including email, telephone, and a bi-monthly paper communication envelope. Important information such as weekly school and classroom newsletters, yearly and monthly calendars, school and parish flyers, SCRIP and SPLASH items, CYO forms, and other materials are sent via email to every family each week on Wednesday and in the Wednesday communication envelope twice each month. In order to be well-informed of academic and community news, it is essential that each family take time to open and read the school emails and newsletters when they arrive.

Communication with Principal:

The principal is available to meet with parents as needed. Please either call or email the principal or the school office to make an appointment. In order for the principal to be fully prepared to visit with you, it is helpful to state the topic or concern when you call.

Communication with Faculty:

If a family has a question or concern regarding their child or would like to schedule a conference, they should contact the classroom teacher directly via his or her school email or by telephone. Parents are asked to refrain from engaging teachers in informal conferences in the classroom, hallway, carpool, etc., as it is unprofessional and teachers have assigned duties during these times and must remain attentive to their students and other responsibilities. When scheduled in advance, teachers are happy to meet with parents before or after school to discuss academic progress, discipline issues, or other matters.

Parents are reminded of their responsibility to support the authority of school personnel by refraining from gossip or negative commentary in the presence of their children, and to consult the faculty or staff at the school before forming a final opinion on an incident that occurred at school. Any situation involving a child and a particular teacher should be discussed with that teacher, as well as the child. Generally, when the parent, child, and teacher come together face to face and share all sides of the story, these matters can be resolved quickly and to the satisfaction of all parties.

ELECTRONIC COMMUNICATION (Revised November 2020)

Whether occurring within or outside of St. Philomena School, when a student's use of electronic communication, including social networking, jeopardizes the safe environment of the school, is disruptive to the school environment, or is contrary to Gospel values, the student may be subject to the full range of disciplinary consequences, including expulsion.

This policy applies to communications or images sent through emails, blogs, text messages, or website postings, whether they occur through the school's equipment or connectivity resources or through private communication, which: (1) are of a sexual nature; (2) threaten, libel, slander, malign, disparage, bully, harass, or embarrass members of the school community; or (3) cause harm to the school community.

DIRECTORY (Revised October 2015)

The St. Philomena School Directory is provided as a courtesy for the convenience of school families and includes the student's name, grade, family members' names, addresses, phone numbers and email addresses. Please notify the school office of any changes as soon as possible so all information is current. Parents who do not wish to have this information published must notify the school in writing no later than the third week of each school year. It is to be understood by families requesting this omission that they will still be contacted by phone or mail by school staff and volunteers authorized to do so. The Directory is updated annually in late September and sent to families electronically. The St. Philomena School Directory is intended solely for the use of St. Philomena School families and employees to strengthen their mutual

support and the education of St. Philomena School students, and any other use of the information in this directory is strictly forbidden.

SOCIAL MEDIA EXPECTATIONS FOR STUDENTS (Revised March 2021)

Engagement in social networking, gaming community, and online blogs or postings shall result in disciplinary actions, including expulsion, if the content of the student's blogs or postings includes defamatory comments regarding the school, a person's dignity, bullying, harassment, threats, or other inappropriate comments that are contradictory to Catholic teaching. St. Philomena School students and their parents must adhere to and sign the St. Philomena School Student Computer and Internet Agreement.

SOCIAL MEDIA EXPECTATIONS FOR PARENTS/GUARDIANS (March 2021)

Communication is a means of expressing the missionary vocation of the entire Church; today the social networks are one way to experience this call to discover the beauty of faith, the beauty of encountering Christ." (Pope Francis' Message for the 48th World Communications Day [WCD], 2014.)

Excellence in the Christian education and formation of our students demands a Christian spirit of collaboration between parents and school staff. We encourage positive social media postings that share and success of the parish and school community.

The social media policy serves to protect the Christian dignity of every student and teacher from the damaging effects of negative social media posts. Parents and guardians are to immediately bring any social media policy violations or concerns to school officials. Commenting on negative communications through social media channels only perpetuates divisiveness.

- Parents or guardians should make complaints through official school channels rather than posting complaints on social networking sites.
- School officials will not mediate social media issues between students and/or parents unless it directly involves the school.
- Parents/guardians should also ensure that their children are not using social networking/internet sites in an inappropriate manner. It is expected that parents/guardians explain to their children what is acceptable to post online.
- Once an offensive or inappropriate post is reported to the school, the originator will be contacted and it will be explained why the post is deemed inappropriate and that it needs to be taken down.

Refusal to abide by this policy will lead to appropriate measures being taken and may include legal action and/or removal of students from St. Philomena School.

This form must be current and unexpired. Necessary medications are provided by the parent/guardian and kept in the school office. No medication is to be kept in the classroom. Medications will be dispensed only from the original container provided by the pharmacy. Only a designated and trained staff member(s) will administer medication.

Medication that requires injections should only be administered after training by an R.N. or M.D, written, signed and current permission from parent or guardian, and identification of staff members who may administer the medication.

- An emergency allergy self-injector (i.e. an EpiPen), may be allowed to accompany the student throughout the school day only after it has been determined to be necessary by the school administration on a case-by-case basis. EMERGENCIES AND CRISIS PROCEDURES

It is important to prepare for any crisis in the best way possible. After consulting with several schools, districts, OSPI, FEMA, and local fire/police departments, St. Philomena School has formulated an on-going working comprehensive plan to help ensure the safety and protection of all adults and children in our care.

If school must be closed due to any emergency during the school day, families will receive notice via the St. Philomena School website, KOMO and KING Websites, KIRO radio station, and KOMO and KING TV channels. Students will not be dismissed to walk home unless the parent calls and requests they do so and assumes all responsibility for their safety. Students will be released from school if the principal determines that it would be unsafe for children to reenter the building. Children will only be released to parents, guardians, or those authorized by parents or guardians. Your help in providing and completing accurate information on the emergency forms is essential in ensuring immediate and successful response. If the phones are working, the school personnel will attempt to notify the parents of the school closure. Some school staff will remain at the school until all children have been picked up. If the entire student body must be moved from the school premises, a designated adult will remain on the premises with instructions for parents or designated guardians.

EMERGENCY FORM (Revised January 2015)

The school must have an emergency form on file for EVERY student in the school. If any information changes during the year, the office should be notified immediately. It is very **IMPORTANT** that the school be able to easily and quickly reach at least one parent or specified responsible person during the school day. If you are going to be out of town, we ask that you advise us as to what procedures to follow and who to contact if there is an emergency with your child.

GENERAL EMERGENCIES (Revised January 2015)

If a child becomes ill during the day, the teacher will send that child to the office to be evaluated and/or arrange for a parent to pick him/her up. If the child will not be returning to the classroom, a messenger will send the student's bookbag/coat and schoolwork to the office. Any other dismissals must be reported to the office. If the office initiates the action, the teacher will be notified of the reasons for dismissal.

All accidents at school are reported to the school office. Serious accident victims will not be moved until emergency personnel evaluate the student. The supervising adult will remain with the student while someone else goes to the office to seek help.

1. **Student illnesses**--Teachers are always on alert for signs of illness of a contagious nature. Such cases are reported to the school secretary or principal. If the child has been ill and returns to school, it is important that he/she return well enough to be able to participate in normal activities, go outside for recess, etc. Children with a fever should remain at home and be fever free without the use of fever reducers for at least 24 hours before returning to school. If an unexplained rash appears, students will be sent home and asked to receive a medical evaluation before returning to school.
2. **First Aid**--The principal and school office staff should be notified of any student who has received a head injury at school. Any signs of concerns will be reported immediately and parents will be contacted.
3. **Teachers/staff will call 911** when any serious accident occurs. The school keeps records of all calls made to 911.

- 4. Medications--**School policy does not allow any medicines to be given to students unless there is a written authorization form from a physician and the parents.

COMMUNICABLE DISEASE POLICY for CATHOLIC SCHOOLS

St. Philomena School follows the Archdiocese of Seattle's policy regarding communicable diseases. Students or parents/guardians may obtain a copy of the policy from the school office.

ACKNOWLEDGMENT OF RISK OF COVID-19 AND OTHER COMMUNICABLE DISEASES

St. Philomena School is committed to the health and well-being of our students, faculty/staff, volunteers, and others who are part of the St. Philomena School community. We acknowledge that the novel corona virus ("COVID-19"), which has been declared a pandemic by the World Health Organization, poses significant health risks and has affected many aspects of life. It is possible that other communicable diseases could pose risks to St. Philomena School students and others in the St. Philomena School community. To confront the unprecedented challenges and risks presented by COVID-19 and other communicable diseases, St. Philomena School is following recommendations and guidance issued by county, state, and federal authorities and agencies, including the King County Department of Health, OSPI, and the Centers for Disease Control and Prevention.

Students and parents/guardians are expected to understand and acknowledge the dangers presented by COVID-19 and other communicable diseases. In particular, COVID-19 is contagious and believed to spread mainly from person-to-person contact. The risks associated with COVID-19 may include, but are not limited to, illness and, in some cases, death. As of the printing of this Handbook, there is no vaccine to prevent COVID-19 and it is very possible that a vaccine will be unavailable during the 2020-21 academic year. Students and parents/guardians are expected to stay informed of COVID-19, as well as other communicable diseases, and understand their associated risks.

To prevent and to reduce the spread of communicable diseases like COVID-19, students and parents/guardians are expected to:

1. Comply with all recommendations and guidance for reducing the spread of communicable diseases published by county, state, and federal authorities and agencies, including the King County Department of Health and the Centers for Disease Control and Prevention and Washington Department of Health. Such recommendations include, but are not limited to, maintaining physical distancing guidelines, wearing a face covering, and washing hands with soap and water for a minimum of 20 seconds regularly.
2. Comply with all rules, guidelines and protocols adopted by St. Philomena School for reducing the spread of COVID-19 and other communicable diseases.
3. Notify St. Philomena School within twenty-four (24) hours if the student (a) has been in contact with someone known or suspected to be infected by COVID-19 or any other communicable disease; (b) has been diagnosed as being infected by COVID-19 or any other communicable disease; or (c) has been running a fever or exhibiting other symptoms as outlined by King County Department of Health.

Students must stay home if they feel ill, exhibit symptoms of COVID-19 or any other communicable disease, or have tested positive for COVID-19 or any other communicable disease.

Students who are at school must report to the front office staff if he/she becomes ill during the day. In those circumstances, St. Philomena School will contact the student's parent/guardian and send the student home.

Students are expected to stay home until they are no longer contagious as determined by a licensed medical professional.

St. Philomena School will close its campus if St. Philomena School deems it necessary to protect students, faculty/staff, volunteers, and others who are part of the St. Philomena School community from exposure to COVID-19 or any other communicable disease, including at the advice, guidance, or direction of local and state authorities.

FIRE DRILLS (Revised January 2015)

Fire drills are held monthly. Ordinarily, these are unannounced and occur at different times within the schedule. Each class has an emergency backpack and first aid kit that should travel with them during times of drills.

EARTHQUAKES (Revised January 2015)

- A. Remain calm and think through the consequences of any action you take.
- B. If indoors, watch for falling plaster, bricks, light fixtures, and other objects. Watch out for high bookcases, shelves, and other furniture that might slide or topple.
- C. If in a **CLASSROOM or CHURCH HALL** you should: Get under desks or tables and begin counting, "One St. Philomena, Two St. Philomena, etc. up to sixty. Face away from windows.
- D. **DROP**-crouch on knees, close to ground. **COVER**-Place head close to knees. **HOLD**-Clasp hands firmly behind the neck. Close eyes tightly.
- E. Remain in place until ordered to evacuate or until the "**ALL CLEAR**" signal is given.
- F. If in **CHURCH HALL or ASSEMBLY** areas -- (Chairs and tables may be lacking and exterior walls and roofs could collapse.) You should normally exit such facilities as quickly as possible. You should move in an organized, supervised way to designated areas and follow subsequent directions.
- G. If in a **STAIRWAY**, during an earthquake – Interior stairways are generally structurally stable; therefore, if you are on interior stairs, you should move to the interior wall, kneel, and take a protective position as described in (C).
- H. If **OUTDOORS** – Move to designated areas, as far away as possible from buildings, poles, wires, and other elevated objects. It is advisable to lie down or crouch low to the ground. Stay there until "**ALL CLEAR**" signal is given. A teacher or other adult employee will take charge.

II. Specific considerations in the case of earthquakes/emergencies:

1. Teachers are expected to stay with their class and stay at school to assist in any way until the principal has given permission to leave the grounds.
- 1 Downed power lines or objects touched by the downed power line/wires should never be touched. **All WIRES SHOULD BE TREATED AS LIVE.**
- 2 If possible, any spilled medicines, drugs, chemicals and other potentially harmful material should be cleaned up immediately following appropriate safety guidelines.
- 3 Do not eat or drink anything from open containers near shattered glass. Liquids may be strained through a clean handkerchief or cloth if danger of glass contamination exists.
- 4 Parents should not telephone the school or attempt to enter the school building after an earthquake occurs. Parents should listen to the radio for information. Parents should understand that telephone calls could only hinder emergency relief. Parents will be notified of any injuries to students as soon as emergency needs have been met. Parents may go to designated areas such as the church hall, adjacent to the school grounds, to meet their children.
- 5 Do not spread rumors. They often do great harm following emergencies.
- 6 Keep the streets clear for passage of emergency vehicles if necessary.

- 7 Be prepared for additional earthquake shocks called "**AFTERSHOCKS**." Although most of these are smaller than the main quake, some may be large enough to cause additional damage.
- 8 Respond to request for help from police, fire fighters, civil defense, and relief organizations, but do not go into damaged areas unless your help has been requested. Cooperate fully with Public Safety officials.

LOCKDOWN:

Lockdown is defined as a way to secure students and staff within the facility due to some emergency. Staff and students will practice lockdown procedures so they can be prepared in the event of an emergency. Lockdown procedures are not meant to scare the community but to empower all members to use safety precautions at all times.

SAFETY (Revised October, 2017)

CARPOOL - Students are to go to their designated carpool square and wait to be picked up. It is the student's responsibility to watch for his/her carpool and not play or distract others. Before and after school, cars should wait in the designated school areas and not on the street. If your children are delayed or you need to come into the building, please park in the church parking lot and use sidewalks along the school building. Students can not be picked up in the lower parking lot as this area is unsupervised and is not safe.

BICYCLES/SKATEBOARDS/SCOOTERS/ROLLERBLADES - For security and safety we do not advise students to utilize these modes of transportation to school.

PEDESTRIANS – Students walking home are required to sign out before leaving the school grounds. Pedestrians must utilize the designated walking areas and cross at crosswalks.

St. Philomena School is not responsible for accidents occurring on the grounds when school is not in session. Accidents occurring due to a student's failure to follow rules, during school hours, are not the responsibility of St. Philomena School.

CIRCLE OF GRACE PROGRAM™ (Revised June 2023)

The Circle of Grace™ program is provided and required by the Archdiocese of Seattle, and is a part of our ongoing effort to help create and maintain a safe environment for children and to protect all children from sexual abuse. The program is taught by the religion teachers for all students in Prekindergarten through 8th grade. It focuses on developmentally appropriate safety rules, boundaries, recognizing risky adult behavior, and internet safety. The students are taught lessons in October. This is a mandated program from the Archdiocese of Seattle. Parents requesting their children be opted out the program must submit a written request to the school prior to the start of the lessons.

FINANCIAL SAFETY

KIDS' CLUB (Revised May 2015)

St. Philomena School offers a before and after school program, referred to as Kids' Club. This program is located in the parish office building (Pre-kindergarten classroom) beside the school.

The primary focus of Kids' Club is to provide onsite quality supervised care for St. Philomena School. This is not a program intended for enrichment or extensive activities, but a place where students can be safely supervised.

Students are supervised by Kids' Club assistants that are employees of St. Philomena School. Kids' Club assistants have CPR and First Aid training, Safe Environment training and adhere to yearly updates, and have passed background checks. Kids' Club assistants are under the supervision of the Kids' Club Director. Day-to-day management of the Kids' Club is the responsibility of the Kids' Club Director, who reports to the principal.

There is a separate charge for students attending the Kids' Club program. Applications for Kids' Club are available in the school office.

A study hall period is required for all students in 3rd – 8th grade. However, it is not our expectation that the Kids' Club personnel supervise or require the students to do homework. It is expected that all students will bring a snack for the afternoon. Please plan accordingly when packing the student's lunch.

Students are expected to treat each other and all Kids' Club assistants with respect. This program is an extension of the school day and all expectations of behavior reflect school policies. If students do not exhibit respectful behavior, they may be removed from the program after a parent conference with the principal. The assistants will use the detention forms to notify parents of concerns.

A copy of the student's emergency form is kept on file at Kids' Club. If you are sending someone new to pick up your student, please notify us either in writing that morning, or by a phone call directly to Kids' Club (206.794.7874).

St. Philomena School offers a hot lunch program for all students whose families choose to purchase lunch. Our school lunches meet all of the nutritional standards required by both state and federal lunch programs. Hot lunch is purchased for the entire school year but may be paid for on a monthly or quarterly schedule. Although lunches can not be purchased on a day to day basis, families can choose from five-day, three-day, or two-day per week options. Applications for reduced-fee lunches are available through the school office.

This valuable school lunch program depends greatly on parent volunteers and is an easy and fun way for parents to earn required service hours, so please consider sharing your time and talent in this area. Students, who do not purchase the school lunch, can bring a sack lunch to school. Our staff encourages parents and students to pack nutritious lunches that include a healthy variety of the recommended food groups but do not include soda or candy.

RELEASE TO ANOTHER ADULT THAN PARENT (Revised November 2015)

If anyone other than a parent or guardian is sent to pick up students, St. Philomena School requires either written permission signed by the parents, or a phone call from the parents to the school office informing the school of the change. Students will not be released to anyone they do not recognize nor to anyone not on the emergency form. St. Philomena School will check identification of anyone who is not the child's parent and who is picking up a child from school.

RELEASE OF STUDENTS TO POLICE

Police and other government officials are required to directly deal with the principal in requesting an interview with a student. Generally, no police officer should be given access to a child without parental permission unless, (a) there is an arrest warrant, (b) the parent is the subject of an investigation of abuse or neglect, or (c) there is an ongoing situation that poses an immediate danger of causing significant harm.

If a police officer is given access to a student and no parent/guardian is available, the child should be accompanied by the Principal/Vice-Principal. That individual is not there to assist the police, but to ensure that the child is being treated appropriately by the police.

PARENT COOPERATION (Revised Feb. 2014)

Parental cooperation is essential for the welfare of students. If, in the opinion of the administration, parent behavior seriously interferes with the teaching/learning process, the school may require parents to withdraw their children and sever their relationship with the school.

PARENT INVOLVEMENT (Revised June 2023)

It is expected that parents will become actively involved in their child's progression through St. Philomena School. It is our hope that this will include: assisting with daily assignments, reinforcing the school homework policy, actively participating in PEP Club, attending fall and winter conferences, as well as conferring regularly with their child's teacher.

VISITORS (Revised April 2018)

All classroom visitors first must sign in and be cleared at the office. This enables the school to keep track of who is in the building and is a safety measure. Adults are asked to wear a volunteer badge from the office as immediate identification to staff and students that this person has a valid reason to be in the building.

Parents are asked not to go to the classrooms to deliver things to the students. These items are to be left in the office and will be delivered to the students. Please respect our students' need for uninterrupted learning time.

All visitors will enter the building through the main door of the school. Side doors are always locked and students/staff are encouraged to keep these doors closed at all times and not to open them to anyone.

ROOM PARENTS (Revised May 2017)

Each grade has a team of Room Parents whose role is to assist the teacher in whatever ways she/he can. Some specific ways in which the Room Parent helps the teacher may be:

- Calling parents to help the teacher as requested.
- Arranging for classroom parties with the teacher.

- Coordinating and serving coffee and donuts after Sunday Mass once each school year.
- Hosting one special event each year depending on your child's grade. . Please see your classroom teacher for more details and an explanation of the event.

Please do not bring in cakes or other types of treats that take more time and need utensils. Please do not bring in beverages with the birthday treats. Birthday treats are served at lunch time under the guidance of Dr. Morissette and/or Mrs. Incrocci.

Party invitations are not to be handed out at school or at carpool. Please send your invitations by mail or email. Please consult parent directory for addresses and emails. The school office cannot provide any contact information and does not distribute invitations or thank you notes. We respect and understand the financial obligations of inviting every student; however, it can be hurtful when one or two children from a class are left out. If possible, do not pick up children from carpool for parties where the whole class is not included.

The principal, at least a week prior to the day of the occasion, must approve any party for a staff member. Classroom parties will be determined at the discretion of the classroom teacher. Only St. Philomena School students are allowed at classroom parties.

SPECIAL POLICIES AND INFORMATION

CYO: CATHOLIC YOUTH ORGANIZATION (Revised November 2013).

CYO (Catholic Youth Organization) is an athletic program sponsored by the Archdiocese of Seattle. St. Philomena School students may participate in the CYO Program in accordance with norms governing the Archdiocesan CYO Outdoor Ministries and Athletics program.

The CYO's mission statement is "to provide opportunities for youth to develop strong moral character, self worth, interpersonal competence, and a commitment to caring for others and their community through

activities of a social, educational, and recreational nature based on Christian principles that reinforce societal values."

CYO's vision is that "With gratitude to Christ, we focus our resources and support the ministries which strongly impact the greatest number of youth, young adults and families – thus engaging them on their journey to know God and participate in the Catholic Community."

CYO Athletics is committed to the dignity and worth of each child it serves, regardless of physical talents, mental strength, or emotional health, and hopes that the same respect for life will become a part of his or her value system. A desired outcome is that each child knows that they are wanted and loved.

Boys and girls from ages 5 through 18 of any race or national origin participate in CYO Athletic programs. Sports may include soccer, cross country, basketball, volleyball, and track.

The CYO Athletics community is organized around the parish as its center of activities, as this is a natural environment that provides a resource of volunteers and financial support necessary for the implementation of activities for youth. It is this environment that also encourages family participation in activities, as well as serving as a base of operations for coordinated programs and service projects to the greater community upon which youth can have a positive influence.
