

~Greetings from the Library~

May 20, 2020

Dear families,

I hope this finds you well and your family is healthy!

We are continuing to have checkouts on Wednesdays and I love to see everyone driving through to get new books!

******All books are due by Friday, June 5th******

If there is a book your child wants, he/she/you can go onto the library website <https://sites.google.com/view/stphilllibrary/home> and see if the book is available. Most of the grades know how to find that information. But just in case, you look up the name of the book and look to the right and if it says "1 out of 1 available" it is in. If there is a 0, it is not.

We renewed BOOKFLIX!!! The information is on the website above. We have website access for a year.

Students in higher grades with younger siblings not in our school yet-please show them this. It is a great resource for our younger students and siblings!

Please email if you have any questions!

Happy reading,
Shannon Tabb
