Dear Pre K Families,

I can hardly believe that the school year is almost over! I have thoroughly enjoyed every minute I've gotten to spend with your children, even though it was unexpectedly cut short. They have grown and learned so much this year, and I am so proud of each and every one of them! I would also like to thank you parents, for stepping up as your child's prime educator! I know this hasn't been easy and I appreciate all of your hard work supporting your child.

This week, we are wrapping up some end of the year assessments. Please make sure that you turn in all completed homework packets to the school by **June 12th**.

We will have our official goodbye and pick up of report cards and any other leftover items on **June 19th**. I am still waiting for a time frame and will let you know as soon as I know.
