Development News

SPLASH was a success! This year we had 292 bidders — 37 more than last year. Though we had a few items left at the end, we were able to sell the remaining items after the auction closed, so we sold 100% of the items.

Thanks to our generous donors. We were able to raise \$5,215 for the scholarships and \$18,649 for the Paddle Raise. **It's not too late to make a donation.** Donations to the PADDLE RAISE and SCHOLARSHIP FUNDS are still being accepted. St. Philomena School has touched so many students and families with the generous gifts raised through the Paddle Raise and our Scholarship Funds. Let's keep the tradition going. Every little bit makes a difference. Contact Pam if you would like to be part of the tradition.

GLASSYBABYS — You can still purchase a glassybaby. These beautiful glassybabys are called "Dream" and the insert reads "HOPE: Belief in a bright future." Proceeds will go toward the Lee Jenkins Endowment Fund to help secure the future for all students for years to come. Price \$80. Contact Pam if you are interested.

To everyone who participated — by bidding, by donating, by procuring items — a big THANK YOU. Your support of SPLASH is what helped make it a success. We couldn't do it without you.

Take a minute to thank our SPONSORS. Let them know how much we appreciated their support.
