2021 GLASSYBABY

We still have glassybabys available from the auction.

Called "Dream," it is our last Glassybaby. The insert reads "HOPE: Belief in a bright future."

Our special glassybabys from 2019 and 2020 both sold out. Proceeds will go toward the Lee Jenkins Endowment Fund to help secure the future for all students for years to come. \$80 each.

SPLASH 2022 March 17-18-19

Next year's SPLASH Auction will once again be online.

It's not too early to start thinking of SPLASH 2022. Get a head start on your commitment for next year. Procurement forms are available in the development office and on the school website.

IDEAS FOR SPLASH PROCUREMENTS

EXPERIENCES — A week at your vacation cabin? A hot air balloon ride? A sunset cruise on your boat? A special dinner at your house or the winning bidder's house? A backyard BBQ on the 4th of July? Use your imagination.

SPORTS — Almost anything sport related is a big seller. Signed memorabilia. Game tickets for the 2022 season (to a mutually agreed upon game). Maybe include something team related with the tickets. Sounders tickets with scarves. Mariner tickets with ball caps.

ELECTRONICS — What is the hot item? Last year it was the Nintendo Switch. We also had a HDTV and a home security system.

SERVICES — Services usually don't sell very well but you might try bundling a service with an item. Yoga classes with a mat and a water bottle. Hair cut with a beauty basket that contains hair products. Swim lessons with a beach towel, flip flops, sunscreen.

SPONSORSHIP / ADVERTISING — Sponsorships go toward your SPLASH commitment and come in all price ranges. Do you own a business or know someone who does? It's a great way to support our auction. Contact Pam for more information.
