SPLASH 2022 March 17-18-19

Before you drop off a LARGE/HEAVY item, please let me know. We can make arrangements for it to go straight to our storage (located close to school). This would help tremendously as we would only have to move it once and there is limited storage space at the school or in my office. Thank you.

Drop off of other items— I am in my office from 8am until noon. Feel free to bring it when you drop off your student. If I am not there, you can leave it with the parish staff.

- ▶ All items/certificates are **due no later than Jan. 28th**. EVERY item must have a procurement form attached. (This is how you get your fundraising credit.)
